PARTS LIST

SINGER

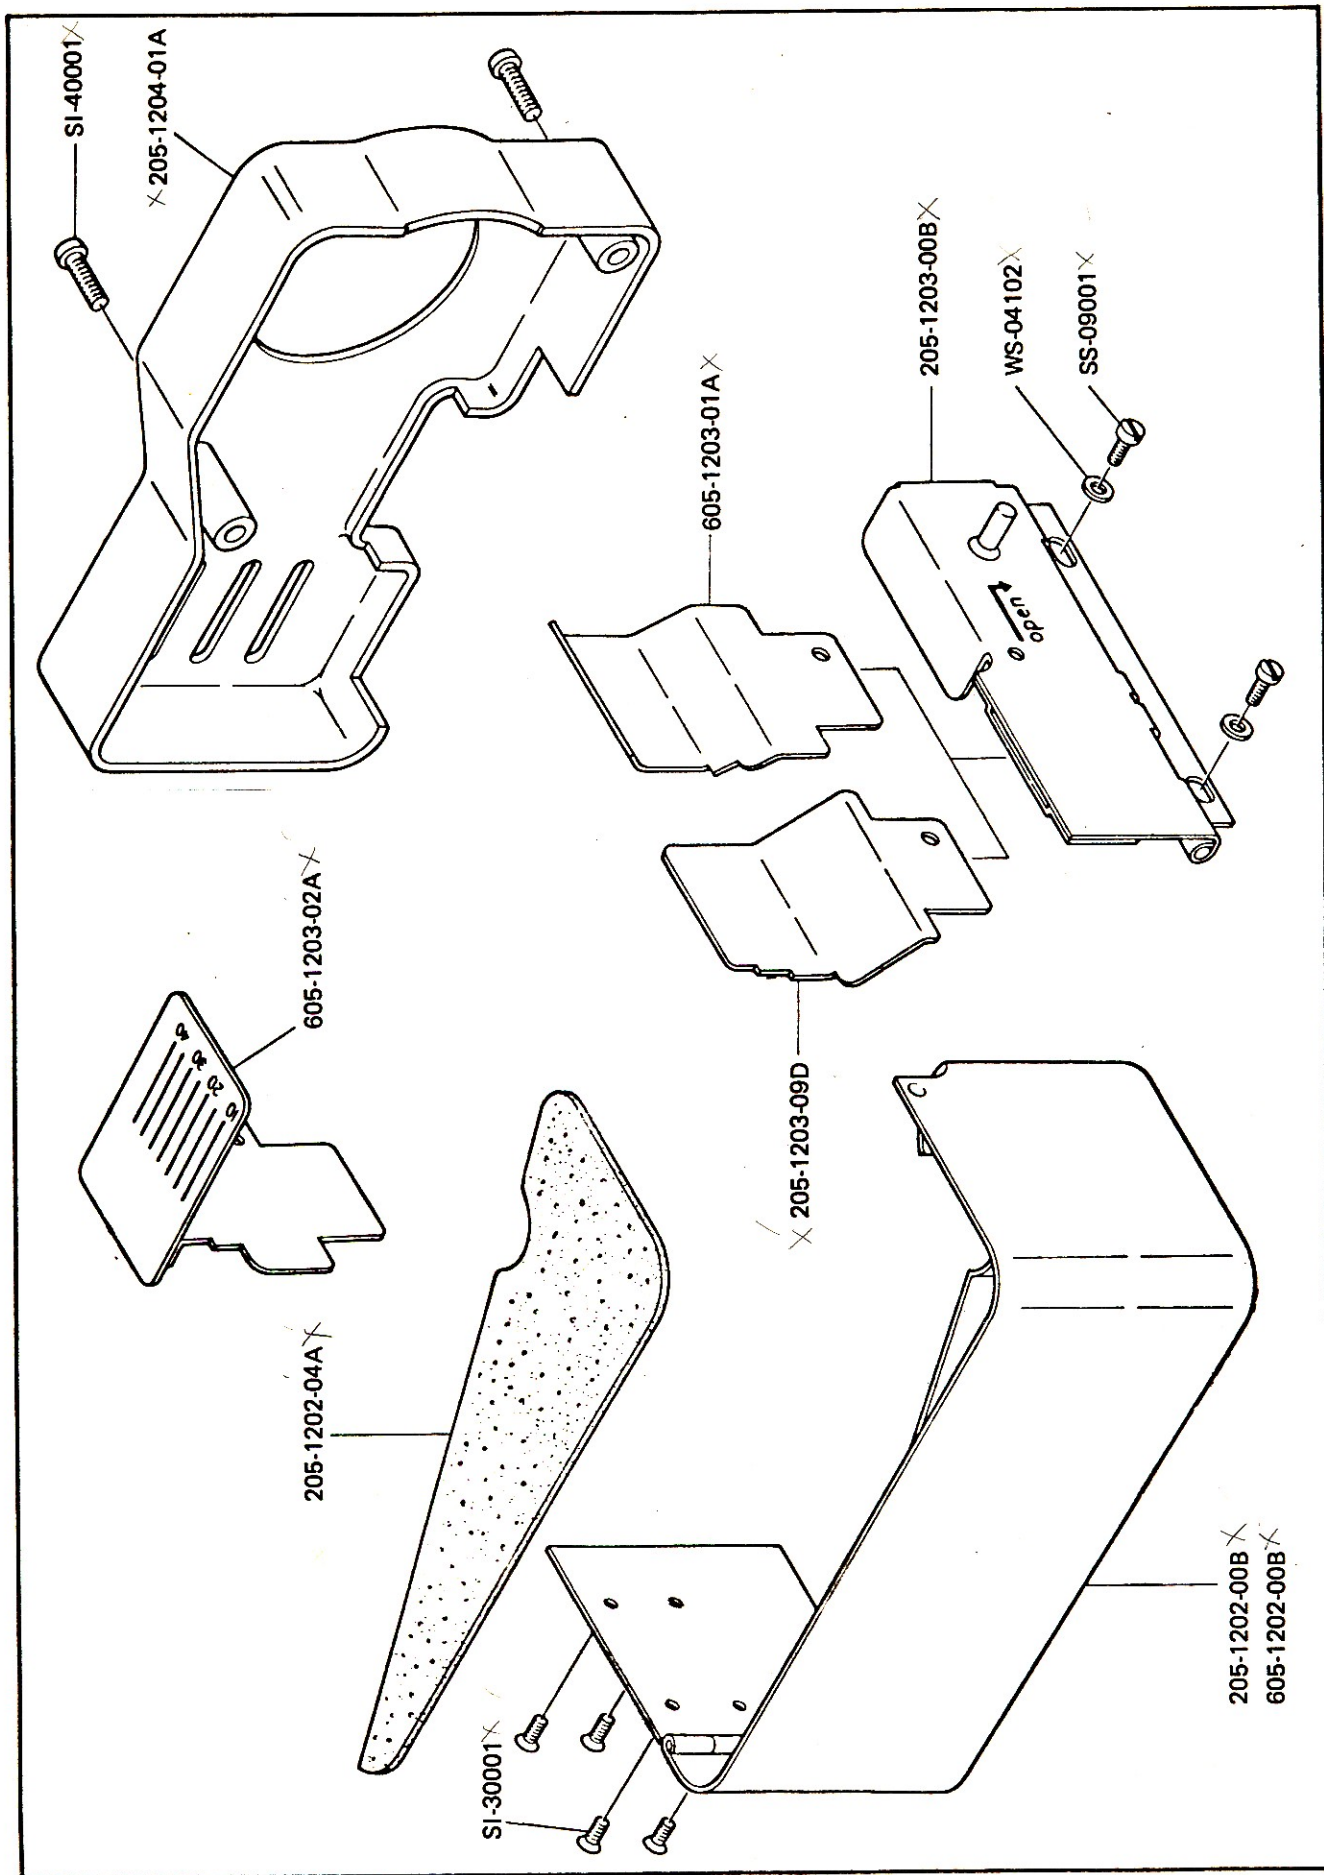

* The set parts marked with ★, are available only as combination parts, and are not sold separately. Should you require them, kindly purchase the entire set.

* This Parts List can be used for a range of models from Machine No. F-300582 to Machine No. A-626341.

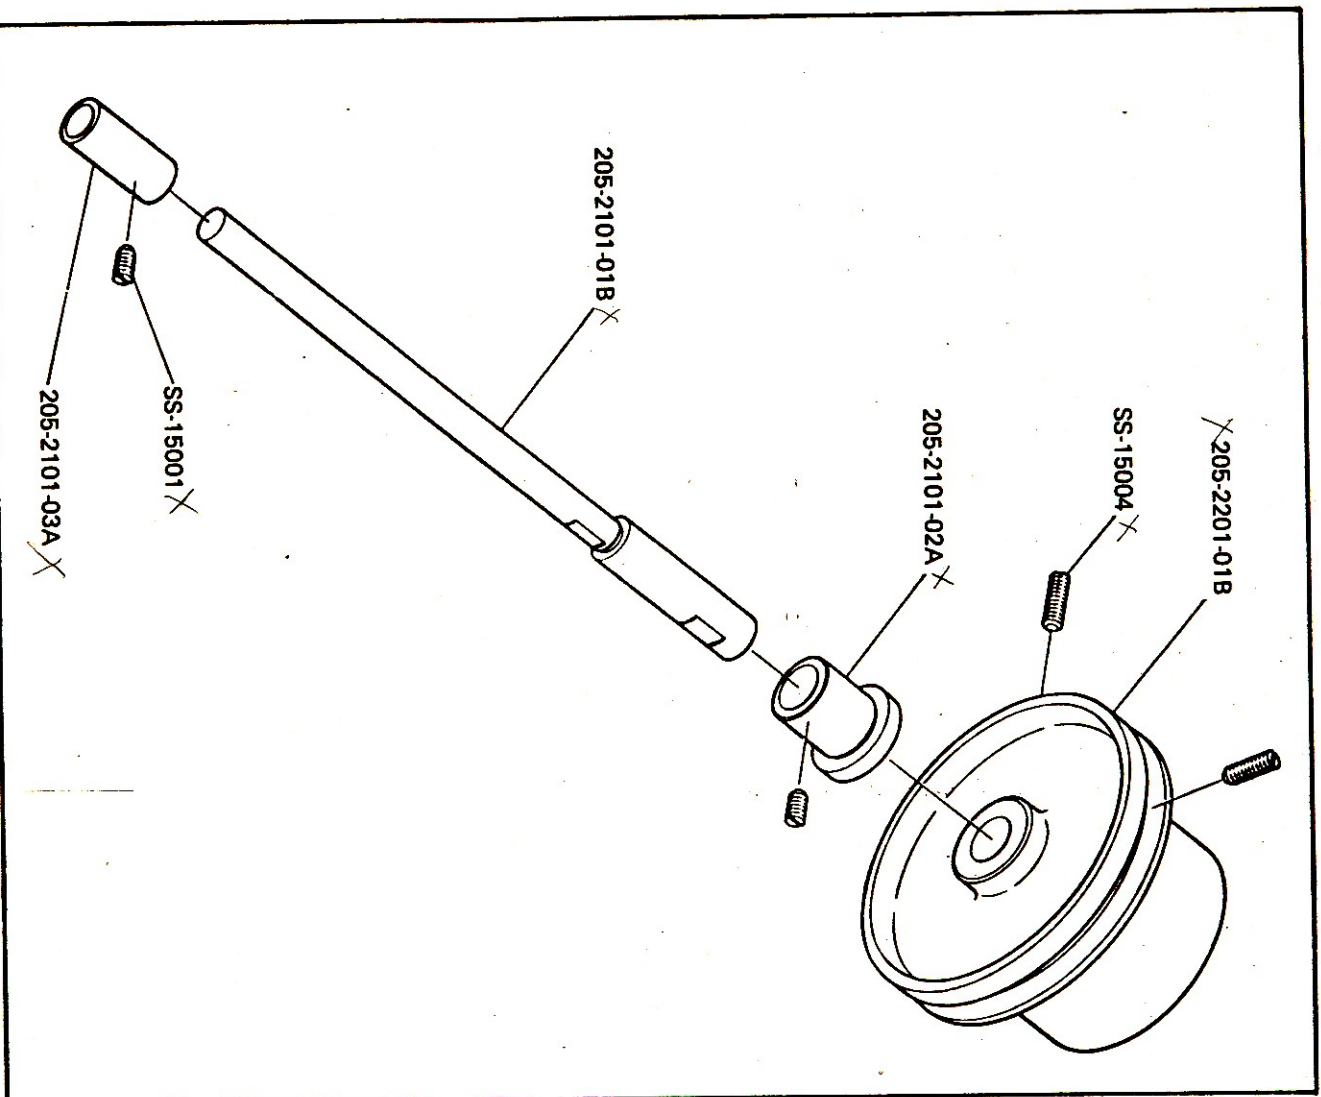

1. Base plate, Handle, and Oil wick

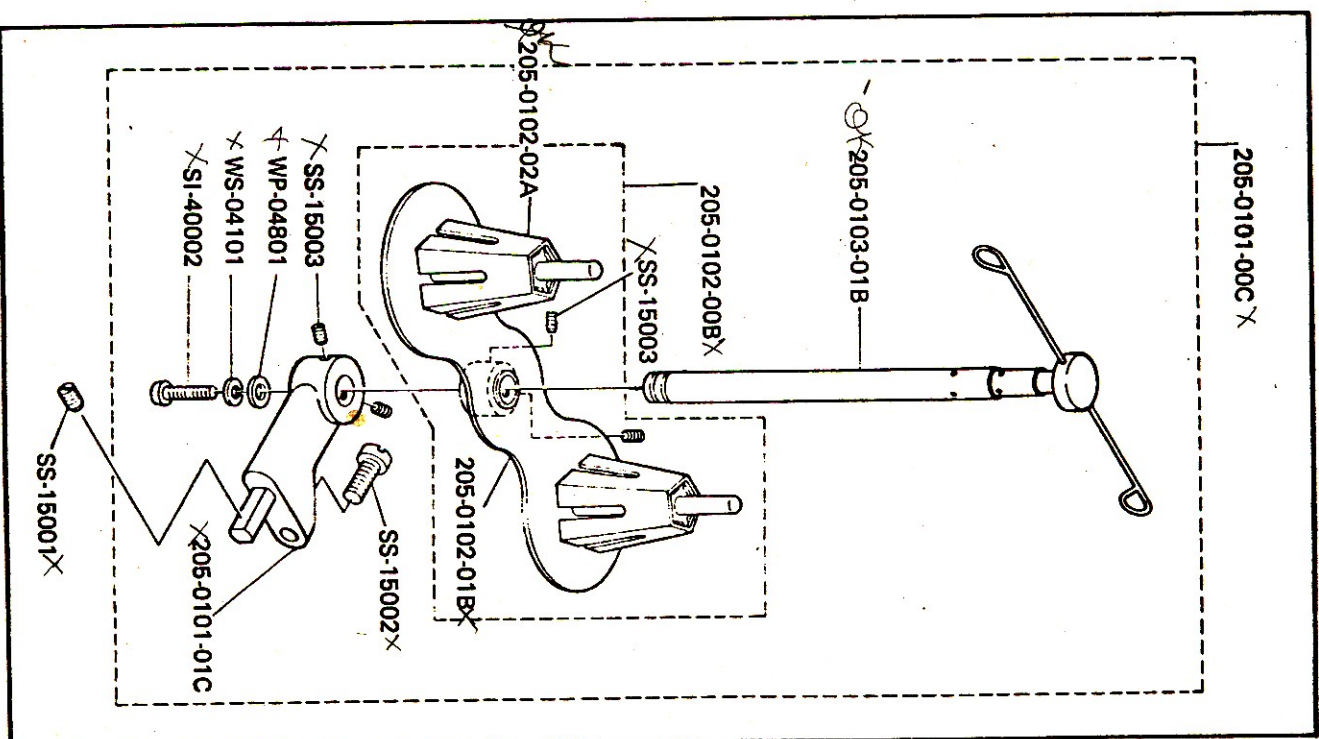

2. Covers

3. Flywheel

4. Spool stand components

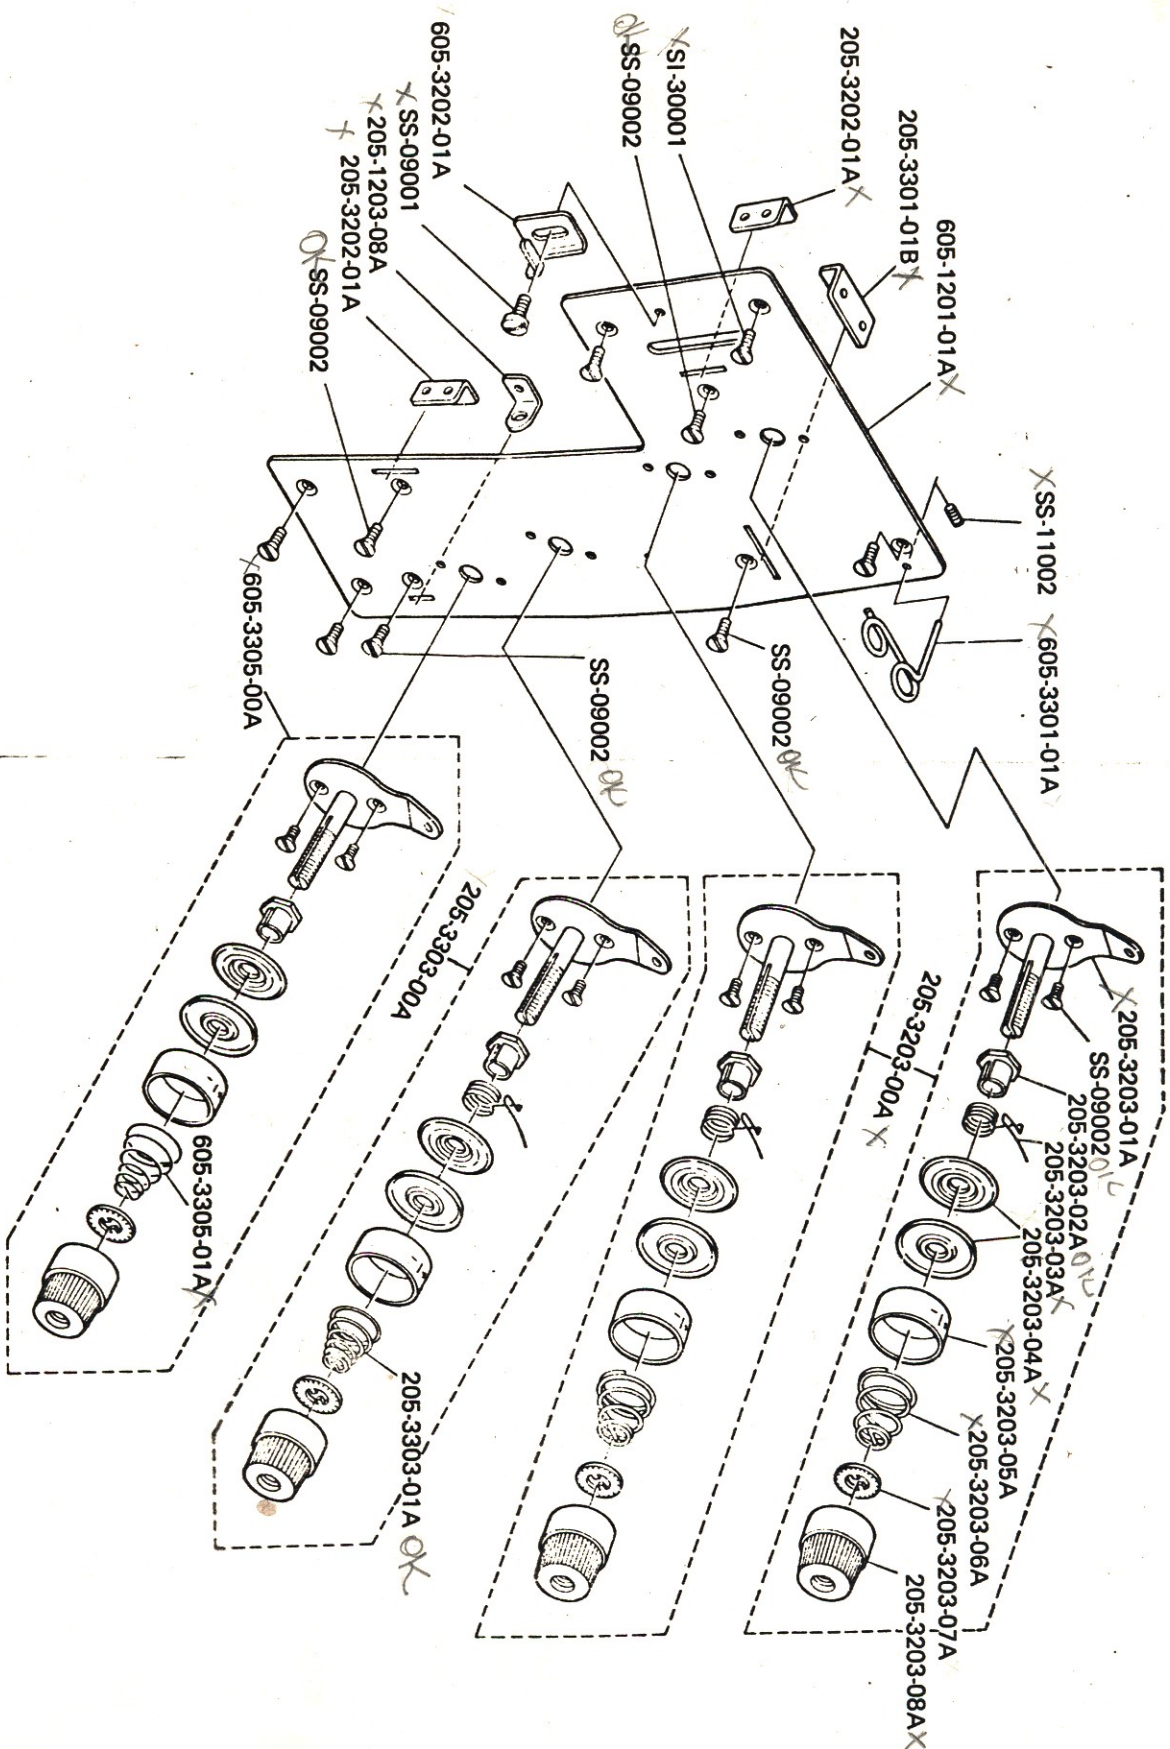

This diagram illustrates the exploded view of a mechanical assembly, likely a fuel system component. The main assembly is shown at the bottom, with various parts labeled with part numbers and assembly marks. The exploded view shows the following components:

- 205-3203-00A**: A large cylindrical component, possibly a filter or housing, shown in two exploded positions.
- 205-3203-01A**: A small cylindrical component, possibly a pin or plug.
- SS-09002**: A small cylindrical component, possibly a pin or plug.
- 205-3203-02A**: A small cylindrical component, possibly a pin or plug.
- 205-3203-03A**: A small cylindrical component, possibly a pin or plug.
- 205-3203-04A**: A small cylindrical component, possibly a pin or plug.
- 205-3203-05A**: A small cylindrical component, possibly a pin or plug.
- 205-3203-06A**: A small cylindrical component, possibly a pin or plug.
- 205-3203-07A**: A small cylindrical component, possibly a pin or plug.
- 205-3203-08A**: A small cylindrical component, possibly a pin or plug.
- 205-3303-00A**: A large cylindrical component, possibly a filter or housing, shown in two exploded positions.
- 205-3303-01A**: A small cylindrical component, possibly a pin or plug.
- 205-1201-01B**: A small cylindrical component, possibly a pin or plug.
- 205-3301-01B**: A small cylindrical component, possibly a pin or plug.
- 205-3202-01B**: A small cylindrical component, possibly a pin or plug.
- SI-30001**: A small cylindrical component, possibly a pin or plug.
- SS-09002**: A small cylindrical component, possibly a pin or plug.
- 205-1203-08A**: A small cylindrical component, possibly a pin or plug.
- 205-3202-01B**: A small cylindrical component, possibly a pin or plug.
- SS-09002**: A small cylindrical component, possibly a pin or plug.

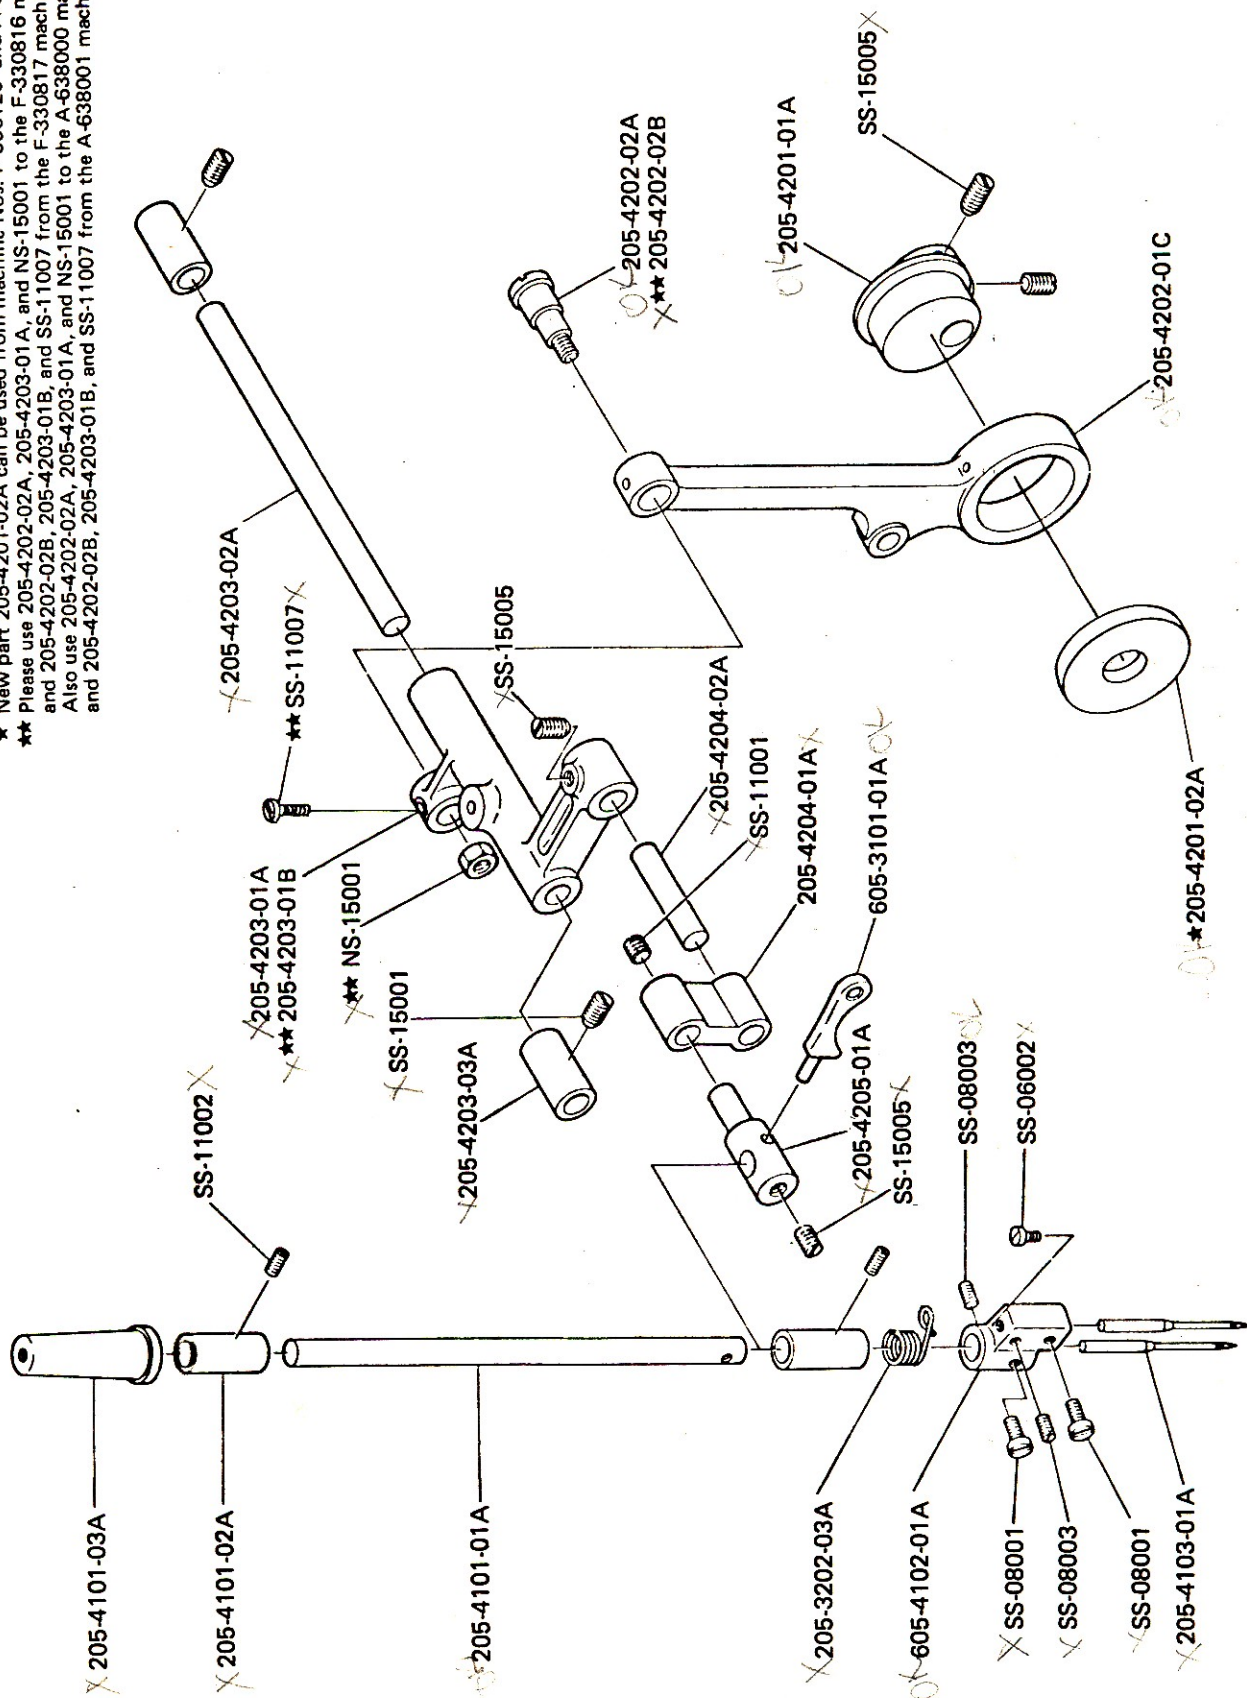

The diagram uses dashed lines to indicate the assembly path and alignment of the components. The part numbers are written in a standard font, and the assembly marks (X and OK) are placed near the corresponding components.

6. Face plate and Tension adjuster

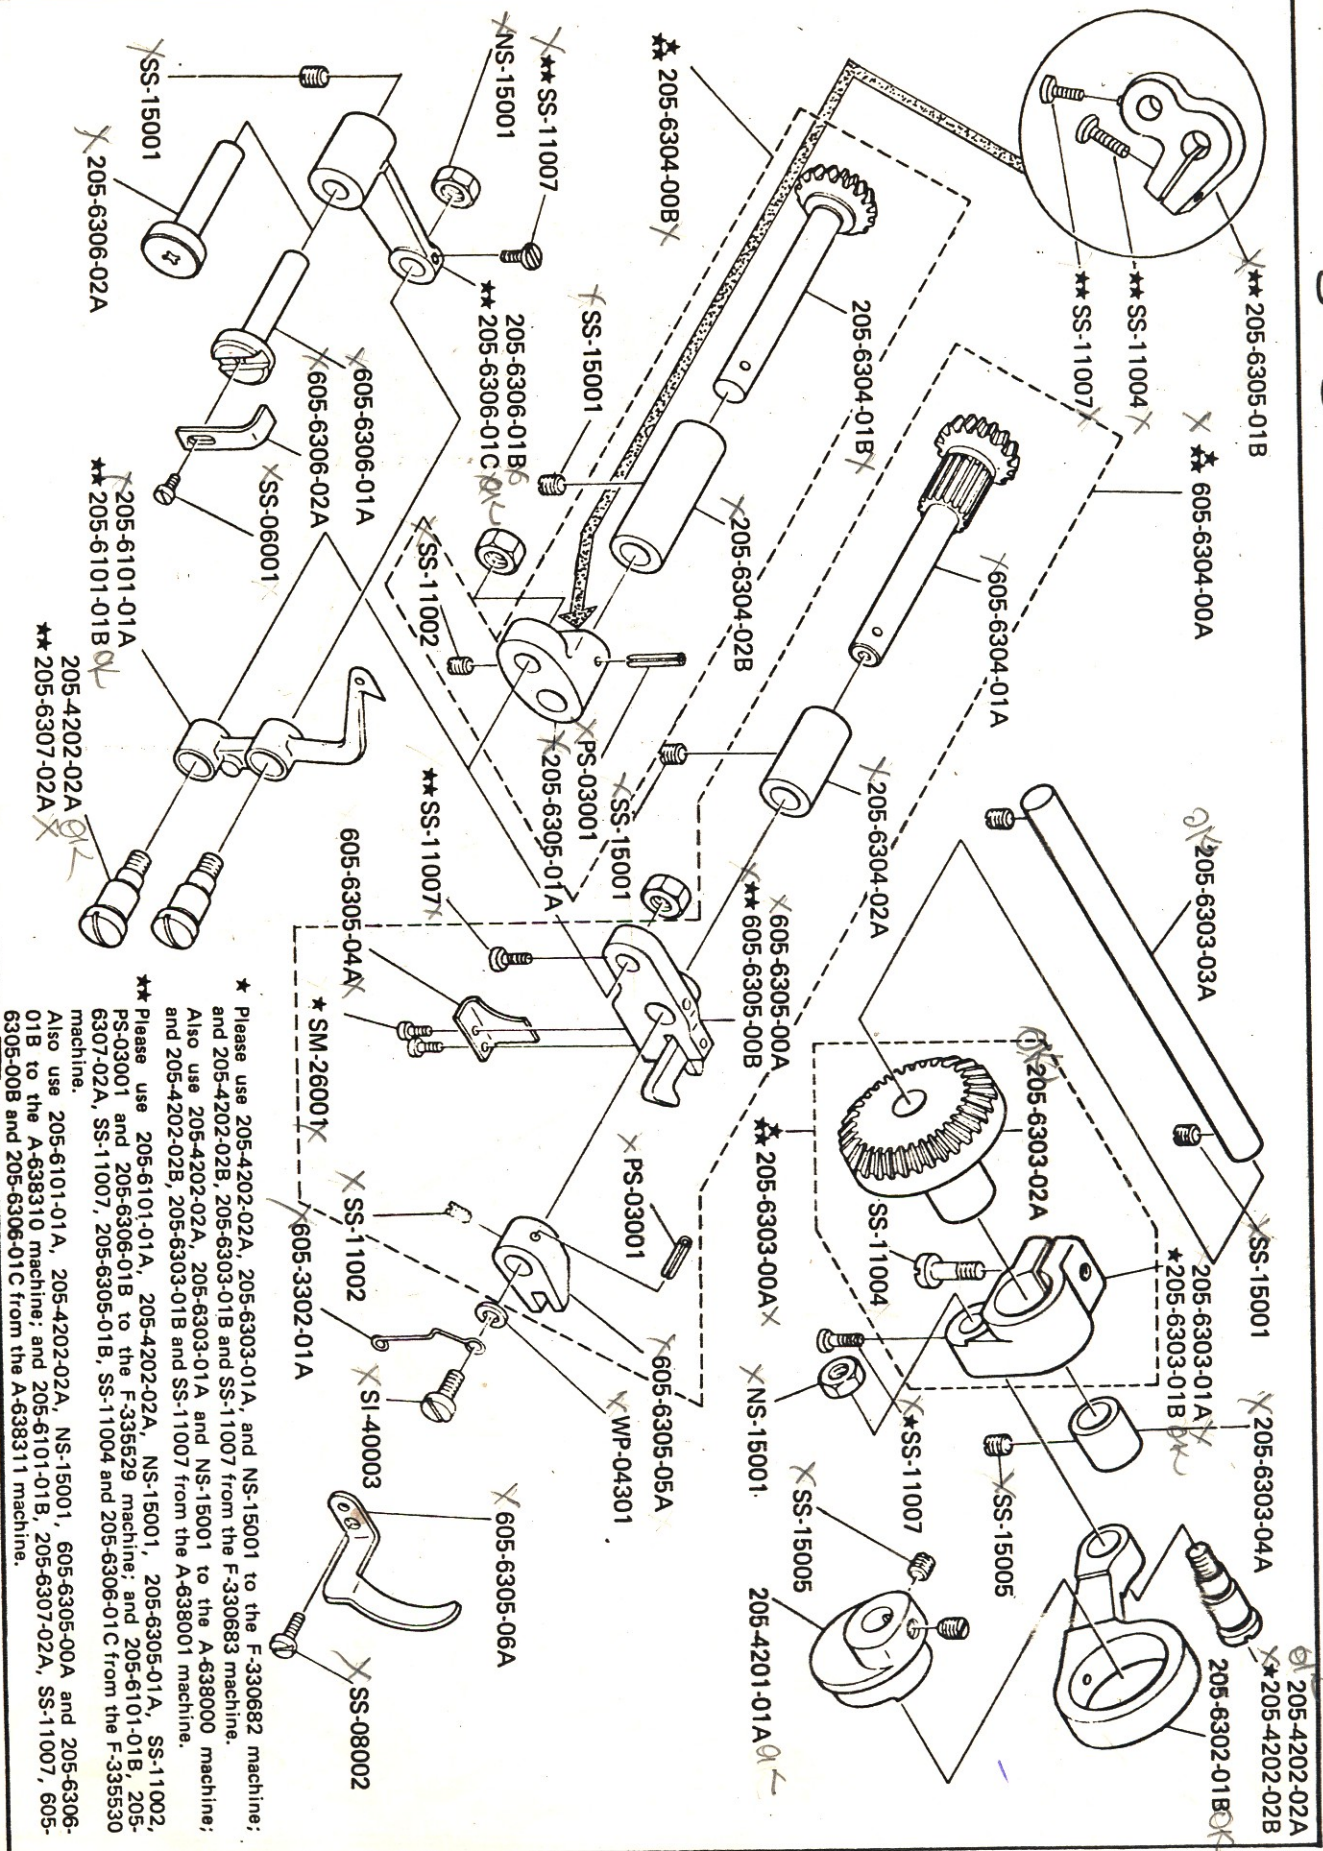

7. Needle bar components

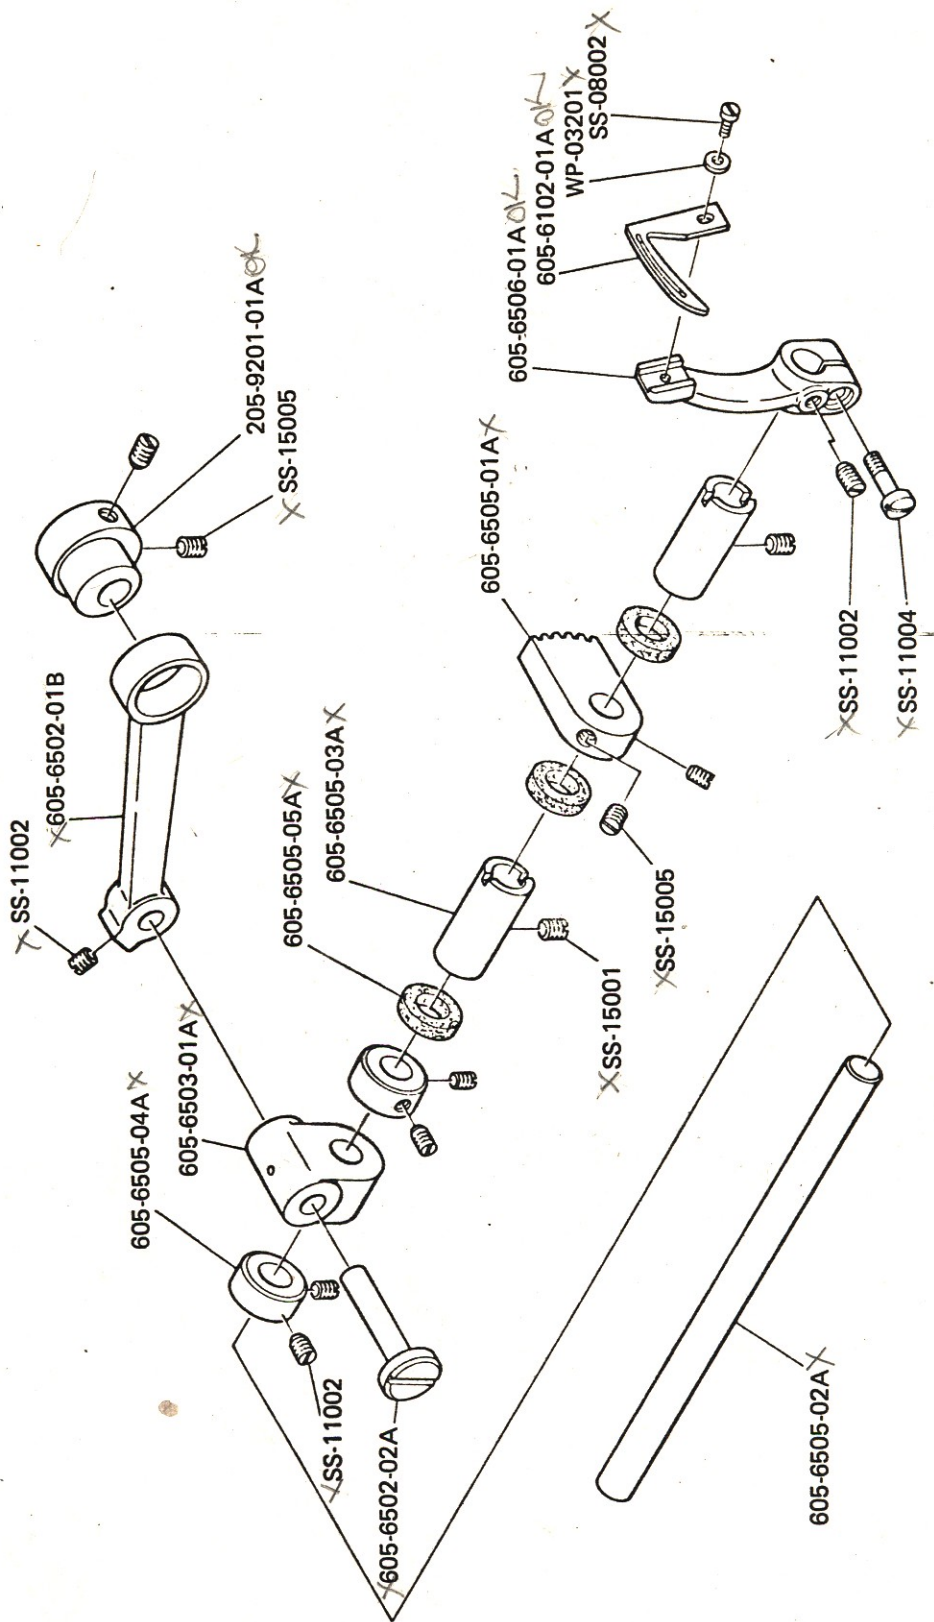

★ New part 205-4201-02A can be used from machine Nos. F-330120 and A-637722.
 ★★ Please use 205-4202-02A, 205-4203-01A, and NS-15001 to the F-330816 machine;
 and 205-4202-02B, 205-4203-01B, and SS-11007 from the F-330817 machine.
 Also use 205-4202-02A, 205-4203-01A, and NS-15001 to the A-638000 machine;
 and 205-4202-02B, 205-4203-01B, and SS-11007 from the A-638001 machine.

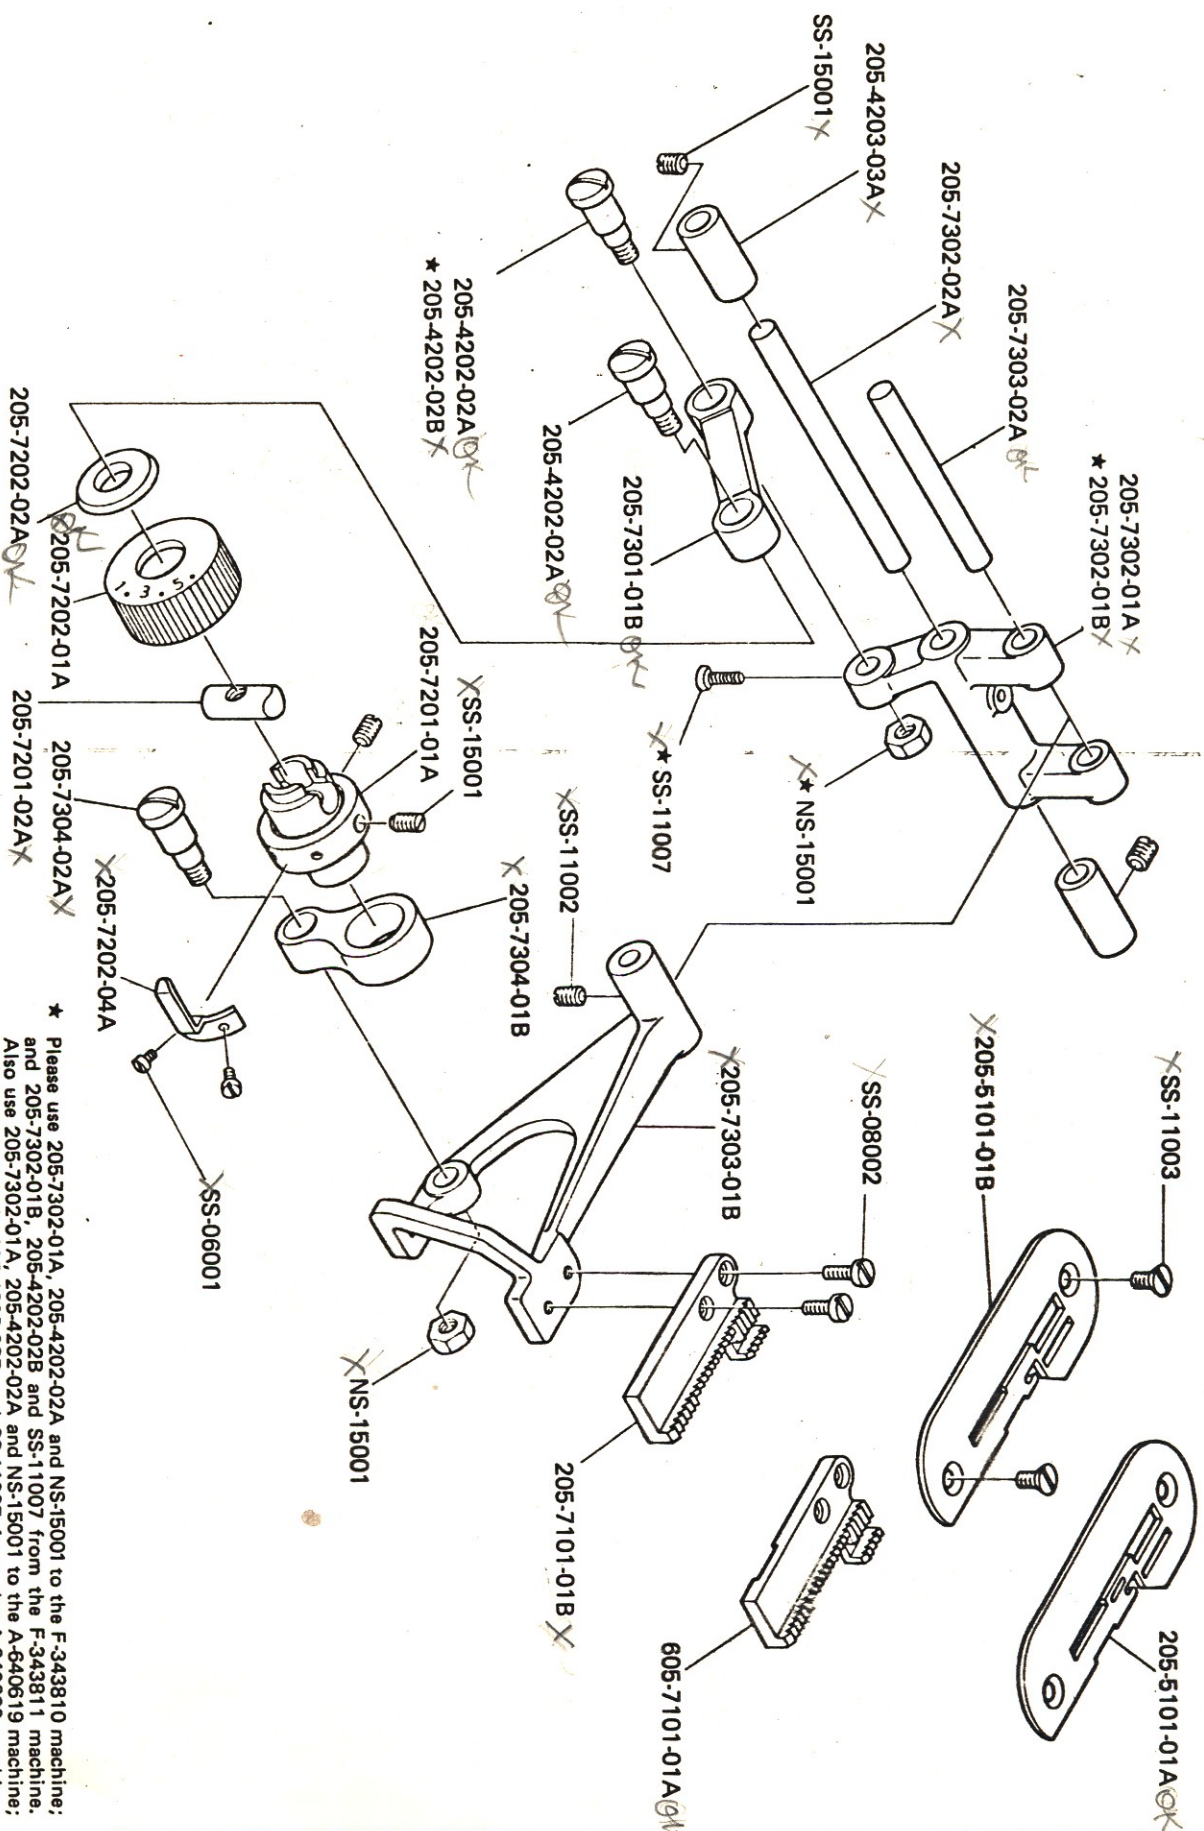

8. Overedging looper components

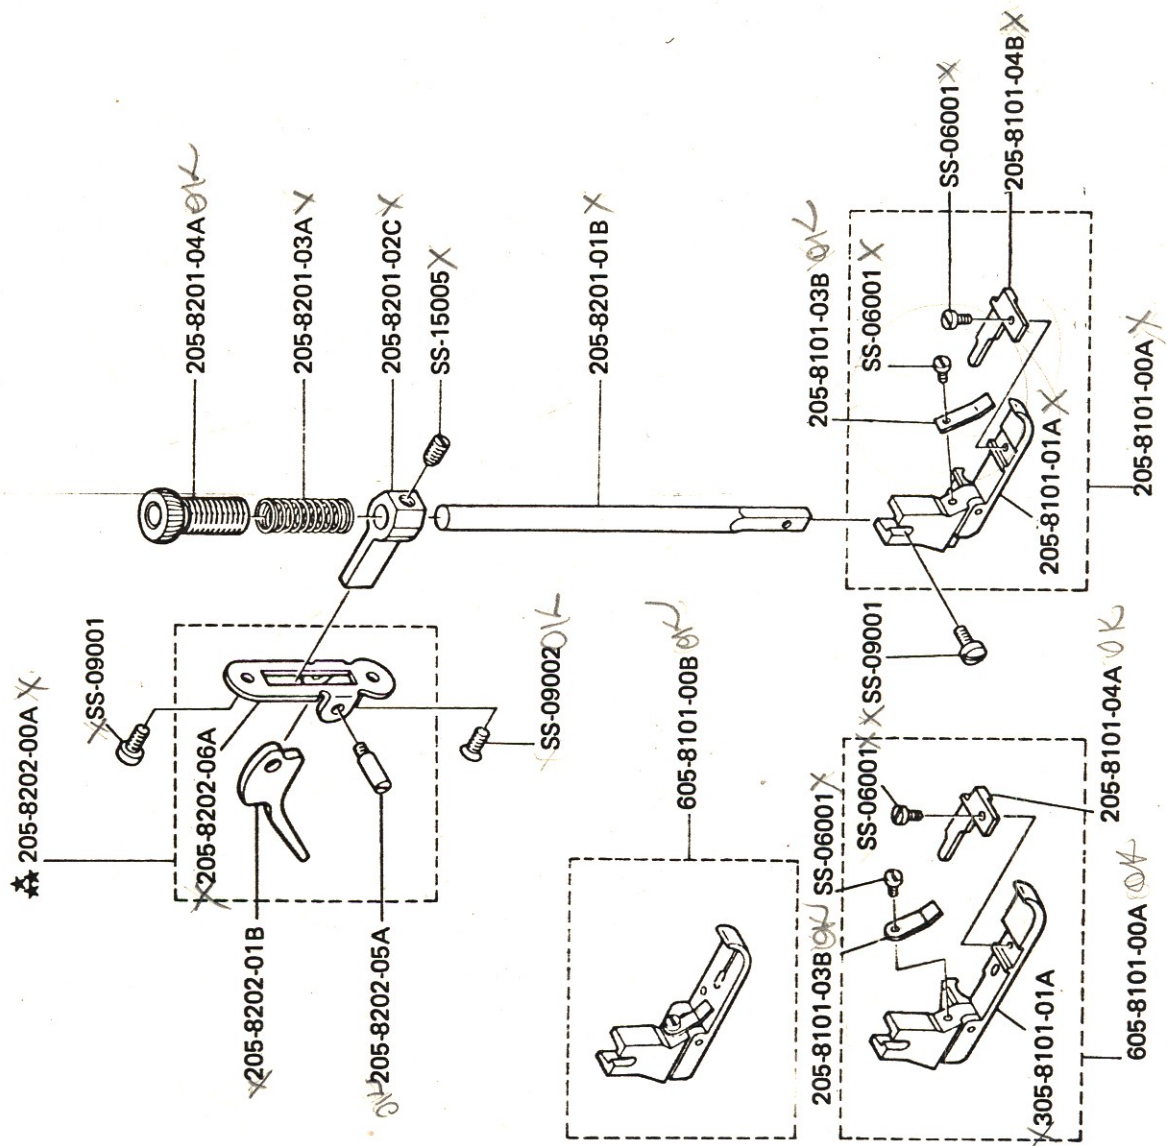

9. Double chain stitching looper components

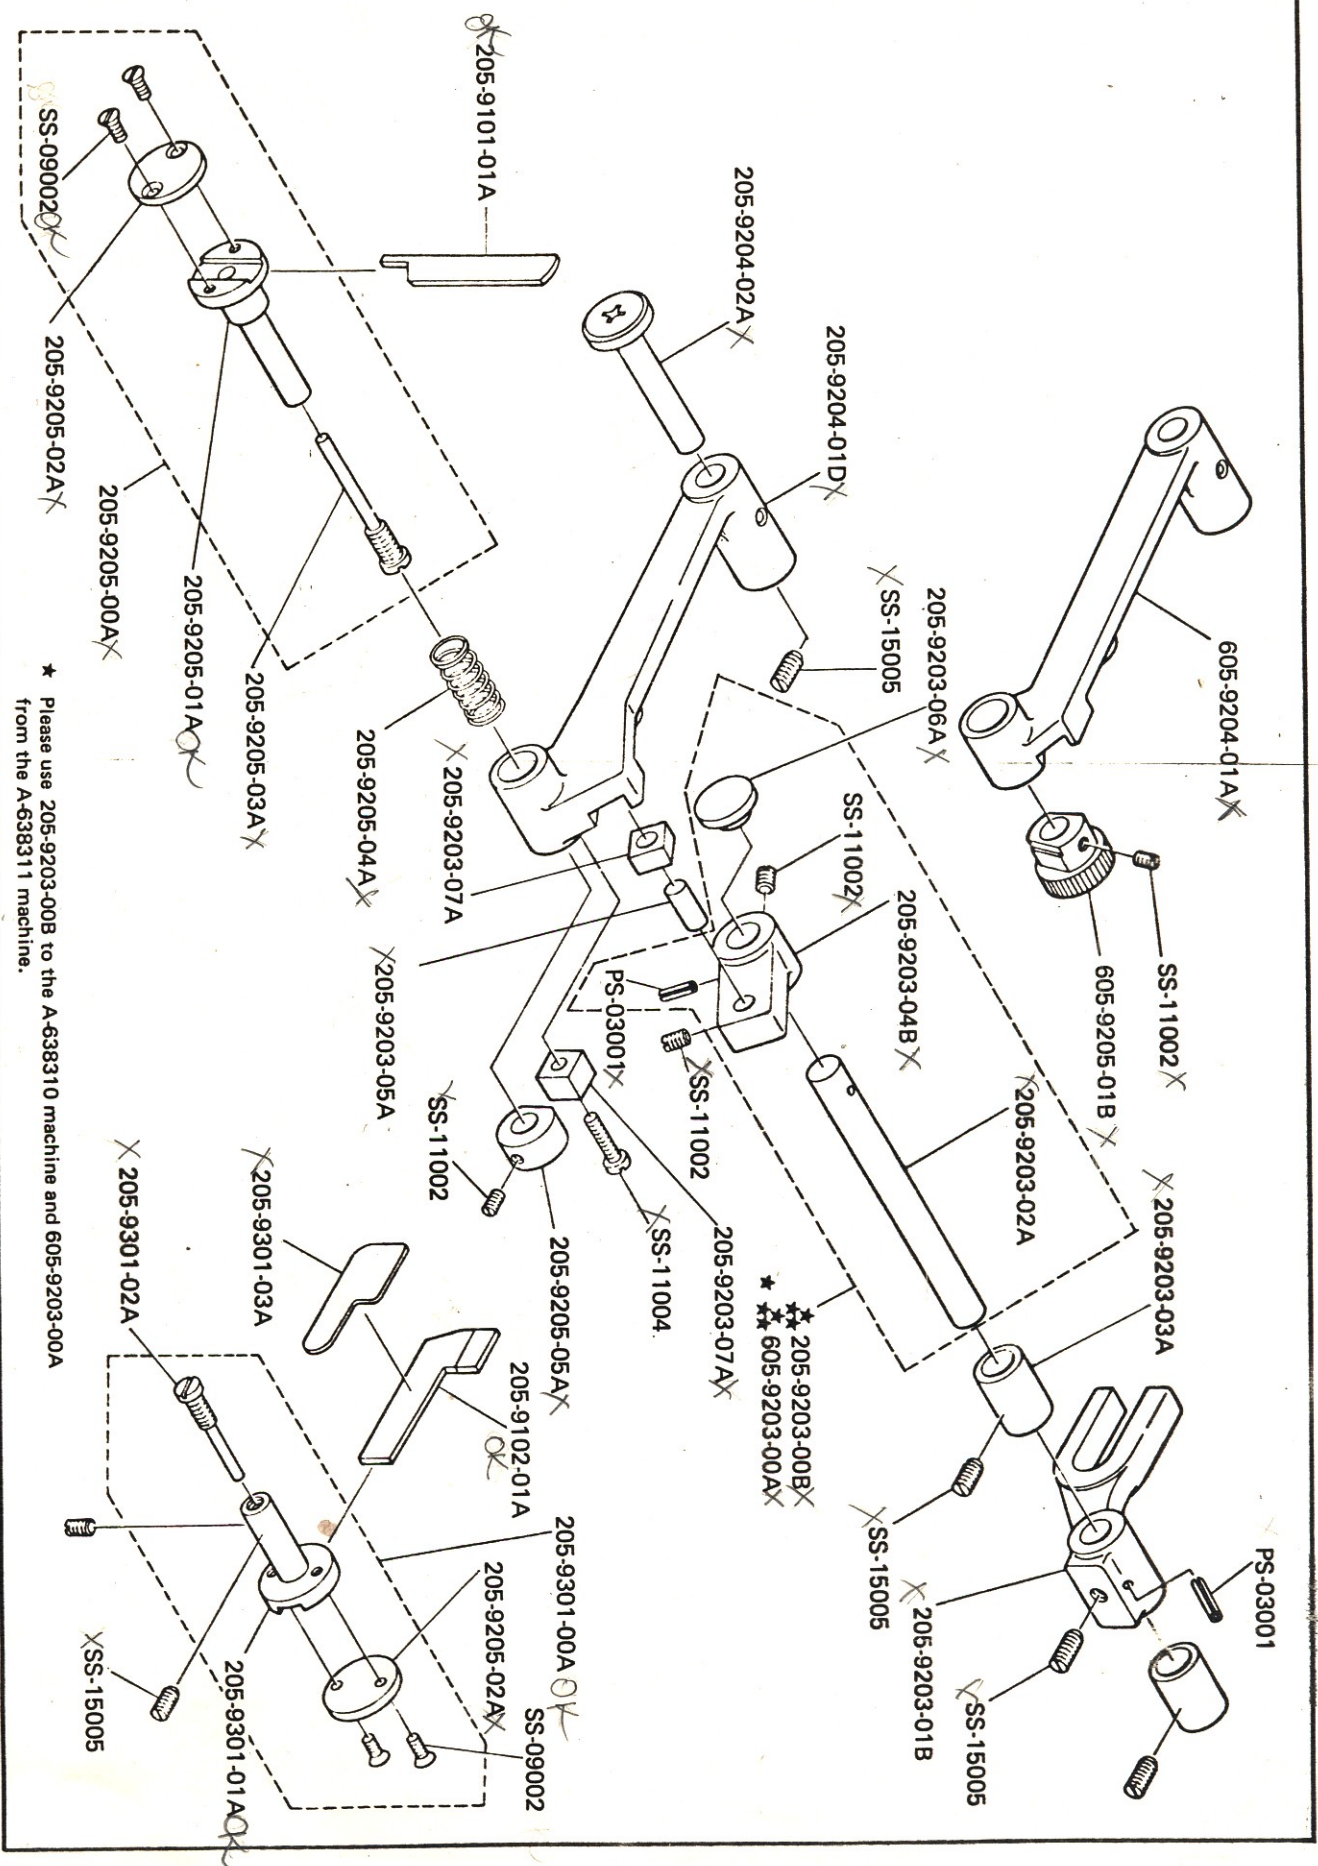

10. Feed mechanism components

11. Presser foot components

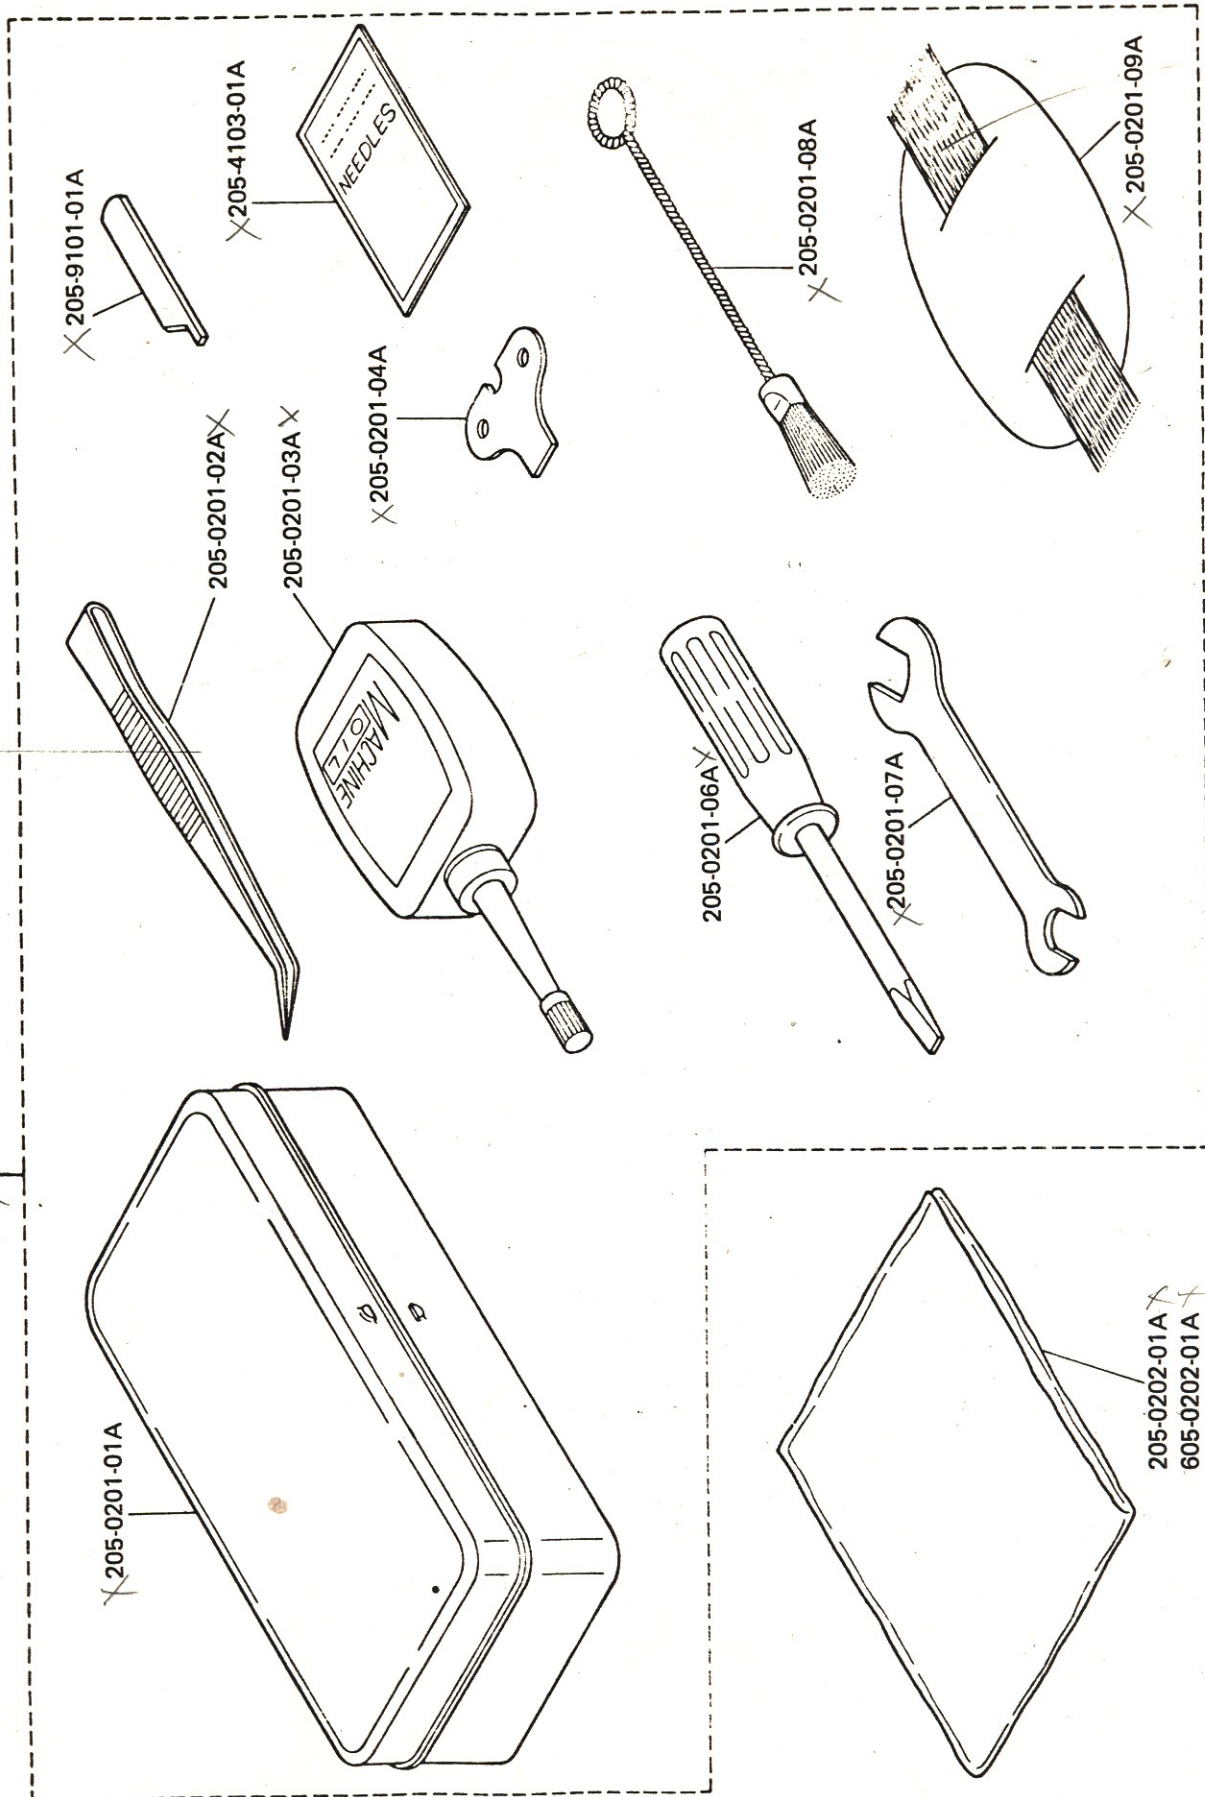

12. Knife components

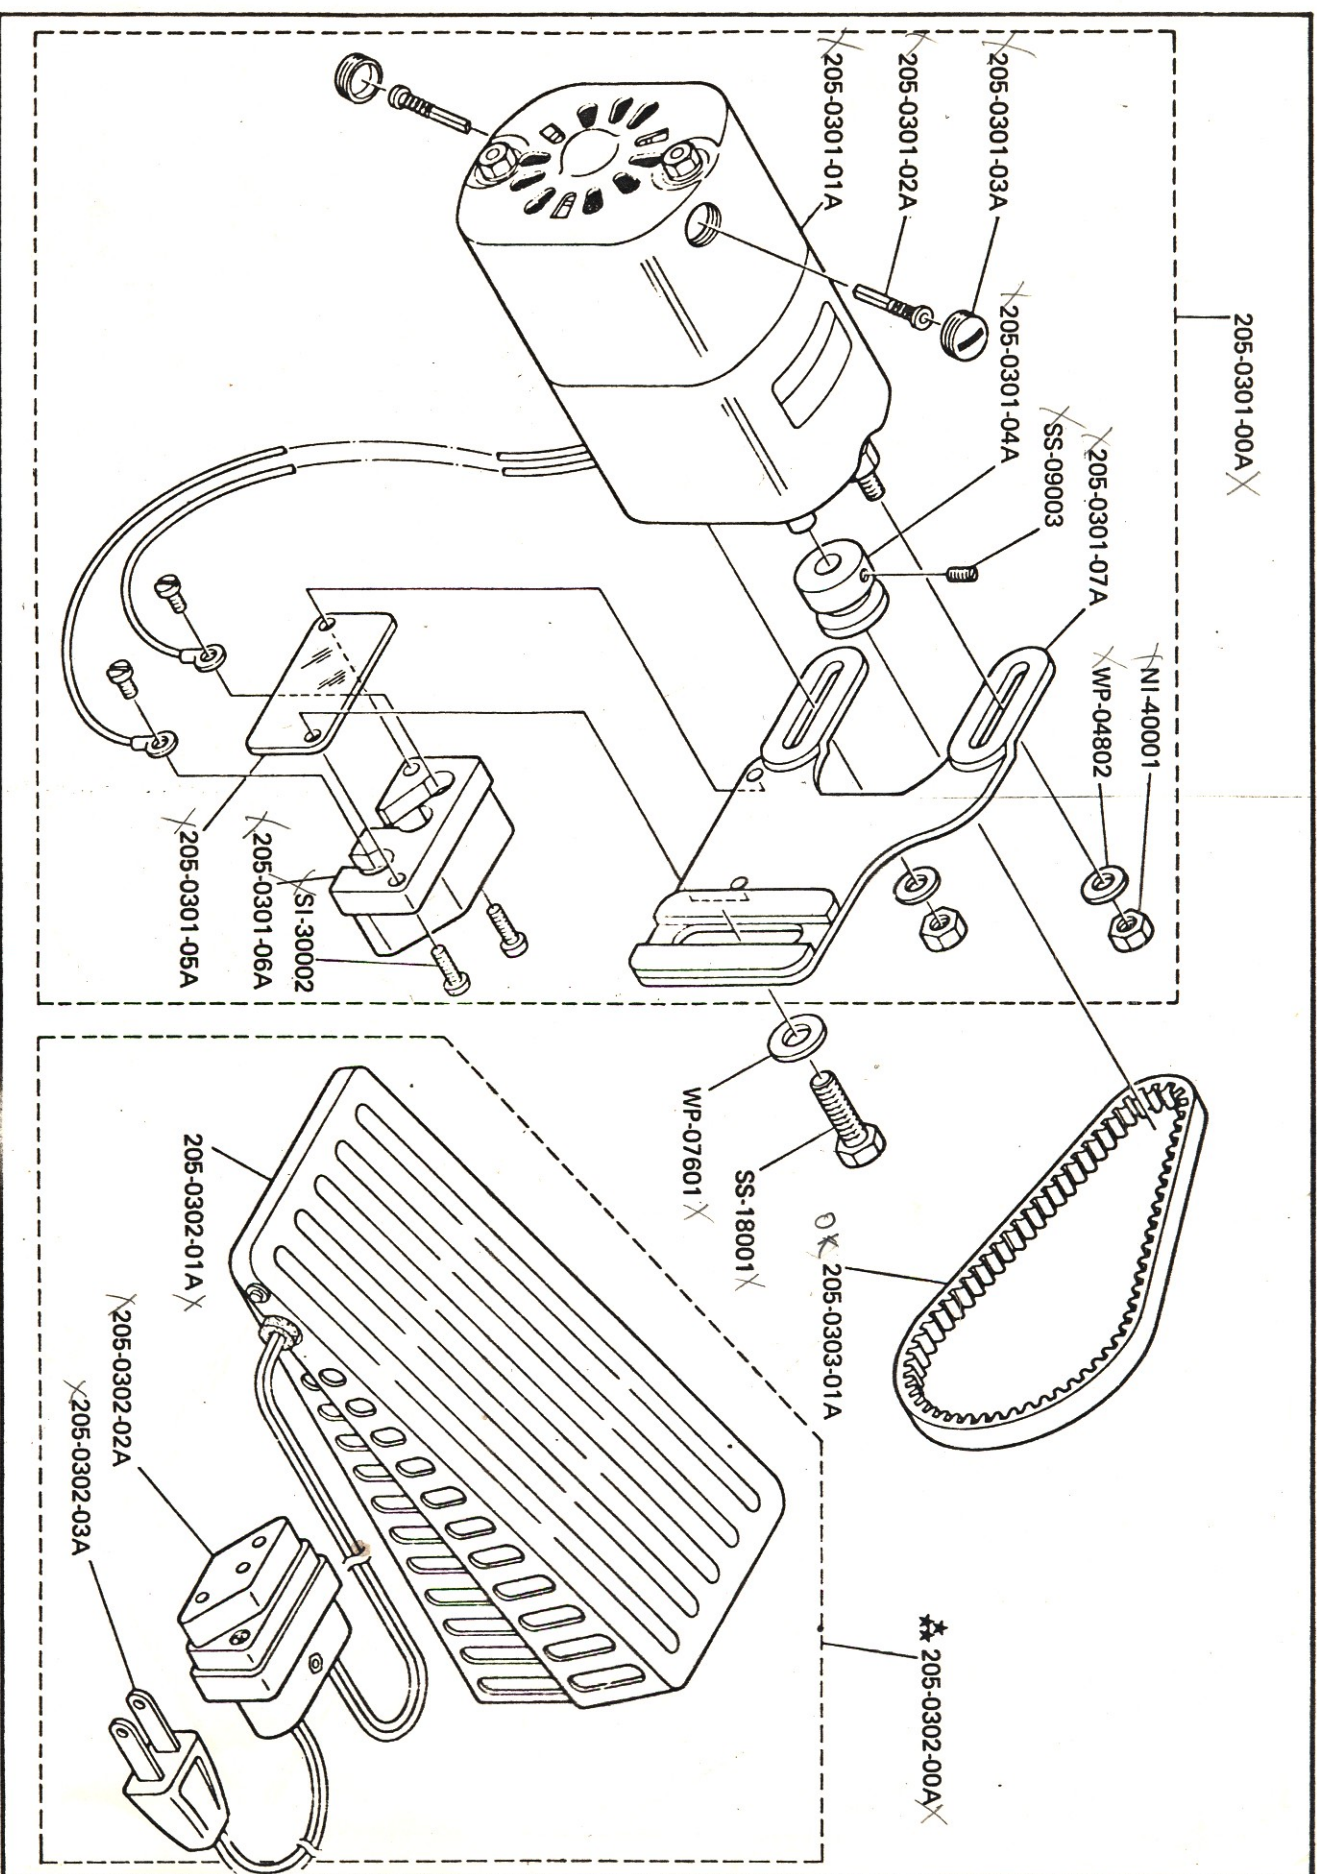

13. Standard accessories

✕ 205-0201-00A

14. Motor and controller components

15. Motor and controller components
