| 82306           | Machine Frame Rotary Shaft Key                                                                                 |                 |                                                              |
| 101795          | Machine Frame Oil Lead Tube Support                                                                            |                 |                                                              |
| 101799          | Machine Frame Rotary Shaft with 82306, 101847, 139026, 164096, 164100, 164217 and 165171 for 460K43 and 460K73 |                 |                                                              |
| 101800          | Machine Frame Rotary Shaft Cross Wick                                                                          |                 |                                                              |
| 101801          | Machine Frame Rotary Shaft Oil Wick (long)                                                                     |                 |                                                              |
| 101803          | Oil Cooler complete with two 164125                                                                            |                 |                                                              |
| 101804          | Oil Cooler Cover with 164135                                                                                   |                 |                                                              |
| 101805          | Oil Cooler Cover 101804 with 101806                                                                            |                 |                                                              |
| 101806          | Oil Cooler Cover Gasket                                                                                        |                 |                                                              |
| 101825          | Oil Cooler Oil Tube with 138269 and wick                                                                       |                 |                                                              |
| 101835          | Machine Rotary Shaft with 82306, 101848, 139026, 164096, 164100, 164217 and 165171 for 460K45 and 460K75       |                 |                                                              |
| 101844          | Knife (movable) Lever Hinge Stud Oil Wick (long) Protection Sleeve                                             |                 |                                                              |
| 101847          | Machine Frame Rotary Shaft with 101800 and 101801 (for agents only) for 460K43 and 460K73                      |                 |                                                              |
| 101848          | Machine Frame Rotary Shaft with 101800 and 101801 (for agents only) for 460K45 and 460K75                      |                 |                                                              |
| 107204          | Machine Frame Oil Drain Plug                                                                                   |                 |                                                              |
| 138269          | Oil Cooler Oil Tube Sleeve                                                                                     |                 |                                                              |
| 139026          | Machine Frame Rotary Shaft Ball Bearing                                                                        |                 |                                                              |
| 140088(813)     | Machine Frame Oil Lead Screw                                                                                   |                 |                                                              |
| 140346(830)     | Machine Frame Oil Plug Bracket Set Screw                                                                       |                 |                                                              |
| 140416(841)     | Machine Pulley Cap Screw                                                                                       |                 |                                                              |
| 164071          | Machine Pulley Cap                                                                                             |                 |                                                              |
| 164082          | Machine Frame Oil Plug Bracket                                                                                 |                 |                                                              |
| 164096          | Machine Frame Rotary Shaft Counterbalance with 1036(830)                                                       |                 |                                                              |
| 164098          | Machine Frame Rotary Shaft Oil Return and Ball Bearing Grease Retainer                                         |                 |                                                              |
| 164099          | Machine Frame Rotary Shaft Screw Stud                                                                          |                 |                                                              |
| 164100          | Machine Frame Rotary Shaft Thrust Bearing                                                                      |                 |                                                              |
| 164124          | Oil Cooler Gasket                                                                                              |                 |                                                              |

# NUMERICAL LIST OF PARTS FOR SECTION 4.

| Part No.    | Description                                                                 |
|-------------|-----------------------------------------------------------------------------|
| 330(809)    | Machine Frame Top Cover Oil Lead Screw                                      |
| 1143(830)   | Tension (needle) Thread Guide Block Screw                                   |
| 2102        | Tension Disc                                                                |
| 50133(803)  | Tension Screw Stud                                                          |
| 51369(809)  | Machine Frame Top Cover Screw                                               |
| 59537       | Tension Spring Bushing                                                      |
| 81226-002   | Machine Frame Top Cover Oil Lead                                            |
| 81389-002   | Machine Frame Top Cover 164101 with 330(809), 81226-002 and two 164418(809) |
| 95795(809)  | Tension (needle) Thread Guide Block                                         |
| 107084      | Tension (heavy) Spring                                                      |
| 107625      | Tension Spring Cover                                                        |
| 164101      | Machine Frame Top Cover                                                     |
| 164102      | Machine Frame Top Cover Gasket                                              |
| 164155(809) | Tension Regulating Thumb Nut                                                |
| 164156      | Tension Screw Stud 50133(803) with 164155(809)                              |
| 164157      | Tension (light) Spring                                                      |
| 164159(809) | Tension (needle thread) Thread Guide                                        |
| 164160      | Tension (light) complete, Nos. 59537, 164156, 164157, 107625 and two 2102   |
| 164162      | Tension (heavy) complete nos. 59537 107084, 107625, 164156 and two 2102     |
| 164285(809) | Tension (looper thread) Thread Guide (left)                                 |
| 164286(809) | Tension (looper thread) Thread Guide (right)                                |
| 164418(809) | Tension Thread Eyelet                                                       |

## NUMERICAL LIST OF PARTS FOR ACCESSORIES

| Part No.   | Description                                                                                                                           |
|------------|---------------------------------------------------------------------------------------------------------------------------------------|
| 356(803)   | Knee Lifter Rock Shaft Knee Arm Hub Set Screw                                                                                         |
| 356(803)   | Knee Lifter Rock Shaft Knee Plate Set Screw                                                                                           |
| 356(803)   | Knee Lifter Rock Shaft Stop Dog Set Screw                                                                                             |
| 2763       | Knee Lifter Rock Shaft                                                                                                                |
| 2767       | Knee Lifter Rock Shaft Knee Plate with 356(803)                                                                                       |
| 2770       | Knee Lifter Rock Shaft Stop Dog with 356(803)                                                                                         |
| 4879       | Foot Lifter Chain Connecting Link                                                                                                     |
| 4881       | Foot Lifter Treadle                                                                                                                   |
| 4882       | Foot Lifter Treadle Shaft                                                                                                             |
| 4884       | Foot Lifter Treadle Stand                                                                                                             |
| 4885       | Treadle complete, Nos. 4879, 4881 to 4884 and two wood screws 1" No. 16 F.H. (only supplied if specified on order at no extra charge) |
| 6337       | Knee Lifter Rock Shaft Lifting Bracket with two 140219(803)                                                                           |
| 6439       | Foot Lifter Chain with 56864 and 56865                                                                                                |
| 12242      | Knee Lifter Rock Shaft Hanger with two wood screws 1" No. 10                                                                          |
| 51326(809) | Belt Guard Screw                                                                                                                      |
| 56864      | Foot Lifter Chain Hook (large)                                                                                                        |
