IN ORDERING PARTS

This book has been arranged to simplify ordering repair parts for, on the basis of model DCP-101, model DCP-101W, 103, 105, 106, 109 & 109W.

Various sections of the mechanisms are shown on each page. On the page opposite the illustrations will be found a listing of the parts with their reference numbers, parts numbers, names, the number of pieces required and the remarks.

At the back of this book, a numerical index of all parts is shown. This will facilitate locating the illustration and descriptions when only the part number is known.

Where parts for model DCP-101 and other DCP-100 series machines are not the same, the difference is shown in the remarks column and on the pages 20 to 23. When a part is used for all machines covered by page 2 to 19 of this list, no machine model is mentioned in the remarks column.

In ordering parts from this book, the part number MUST be quoted exactly as it is shown in the second column on the page opposite the illustration. Reference number should never be used in ordering parts.

部品表御利用に際して

本部品表はDCP-101型を基本型にDCP-100シリーズミシンの修理用部品を容易に御利用戴く様編集されています。

各頁には機構別に収録され、部品図解頁（左開き）の反対頁（右開き）には参照番号、部品番号名称、数量、備考欄の順で記載されています。

本部品表の最終頁（26、27頁）には部品番号索引を付し、部品番号のみでその図解、名称等が容易に引き出せます。

DCP-101型用と他のDCP-100シリーズ型用と異なる部品は備考欄に注記し、22頁から25頁には異なる機種専用部品を網羅しています。2頁から21頁にわたり備考欄に機種名の記載なき部品はDCP-101シリーズの全機種に共通です。

部品御注文の際は、必ず部品番号のみを明示し参照番号は絶対に使用しないで下さい。

尚、本部品表は1970年10月現在製造中のDCP-100シリーズミシン用に作成されております。
